This is the United Kingdom's top drum corps-based big band, with musicians who came up through the drum and bugle corps ranks. You'll listen to this CD over and over again. The talent and range is excellent, especially considering there are no formal music programs in the U.K. schools. Some of the best music from American drum corps is included and the majority of the arrangements are by James Curnow, who wrote for the Stan Kenton band, and members of the band.

Included are these tracks:

Chicago Ill Suite, Remembrance, Time for a Change, Scorpion Dance, Send in the Clowns, Quintessence, So May it Secretly Begin, Riverdance, Here's That Rainy Day and Malagueña

CHICAGO III SUITE | MALAGUENA | RIVERDANCE | TIME FOR A CHANGE | HERE'S THAT RAINY DAY
SCORPION DANCE | REMEMBRANCE | QUINTESSENCE | SO MAY IT SECRETLY BEGIN | SEND IN THE CLOWNS
